

SEXTING

Laurel Place Inc.

What you should know

Sexting is when someone access, transmits, publishes, possesses, controls, supplies or obtains child pornography. (Commonwealth Law, Criminal Code Act 1995)

Statistically girls are more likely to engage in sexting than males. Children as young as 10 years old engage in sexting, even young children can engage in sexting.

Its illegal

Send me a pic ;)

No thanks

I knew you were still a virgin

Often times young people are pressured into doing things they wouldn't normally do. We buckle under pressure for a number of reasons; to be liked, to look cool. Its not okay to feel pressured into sexting
